# Members Items—David Figg

David has brought along some postcards that Horrie Aspinall used to highlight how not to put postcards etc onto pages. The type of mounts, paper and sleeves to store your precious cards in are all available from either the APF or Hagners-4-U (Kevin Keepence)

# Items of Interest from club members

P/Card trivia King Arthur nights of the Round Table, a Gigantic Card. Plus a normal size card to show where about it is.

A very interesting set of items includes a receipt from the Carpathia. Also a telegram from Dr Blackmore to the Carpathia, who were involved in the rescue of passengers from The Titanic.
